

Claim or Lawsuit?

MICA's Claims Team Has You Covered!

As a MICA member, your policy provisions also include:

- An experienced and dependable representative assigned to your claim, providing personalized assistance throughout each phase of the litigation process.
- Defense from carefully selected attorneys with an average of 28 years of experience defending medical malpractice claims.
- Payment of up to \$1,500 per day for attendance at trial.
- Defense even after the limit of liability is exhausted.
- e-Med Protection Coverage- Provides limits of liability for Cyber Liability and MEDEFENSE® coverage. e-Med Protection Coverage is administered through our partnership with Tokio Marine HCC.
- Access to Litigation Stress Management Program.

There's a reason why more independent physicians in Arizona choose MICA for their medical professional liability coverage- MICA's superior claims handling.

Our Claims team is committed to providing an aggressive defense for members facing a medical professional liability claim or lawsuit. Over the past 5 years MICA has received defense verdicts in 94% of cases taken to trial. We ensure members have the ability to make informed decisions on settlements and will not settle a claim without the policyholder's consent. And unlike many carriers, MICA offers Discretionary Medical Payments, paying for the medical expenses of persons injured by an insured's treatment, regardless of fault.
